

# Help the Foundation help New Yorkers.

## Foundation Membership Invoice

Time and time again, the credit union movement illustrates the power of cooperation. This spirit of cooperation is what makes the New York Credit Union Foundation so successful. It is *our* Foundation— *our* charitable platform for investing in the success of our credit unions, our employees and our communities. When combined, our contributions to the Foundation make a truly exciting impact.

With this cooperative model, we are able to positively impact New Yorkers through credit unions.
